George Wettlaufer IV

SKILLS

- Golang, Python, Terraform
- Docker, Kubernetes, CI/CD
- AWS, Linux, HTML

EXPERIENCE

AWS Cloud Resume Challenge – <https://gwresume.com/>

I built a website that's hosted on AWS to further reinforce my experience with AWS. My website is on a CI/CD deployment with github actions and uses an assortment of services below.

Technologies Used:

- HTML, Javascript, Python, terraform, github actions
- AWS s3, Route53, ACM, API Gateway, CloudFront, Lambda

Tyler Memorial Hospital

03/2021-06/2022

Maintenance/Security

Tunkannock, PA

- Monitored employee activities, confirming compliance with security regulations
- Responded to emergency situations when called upon. Fixed any deficiencies that arose.
- Inspected equipment, completed basic repairs and adhered to preventive maintenance schedules to keep equipment safe and functional
