EDUCATION

Sullivan County High School

High School Diploma

06/2011

Laporte, PA

Boot.dev

I obtained certificates in Golang, Docker, Kubernetes, and CI/CD. These courses provided me with comprehensive knowledge and hands-on experience in modern software development practices and tools. Through rigorous training and practical exercises, I gained proficiency in building scalable applications, containerization, orchestration, and implementing efficient CI/CD pipelines. These certifications validate my expertise and commitment to staying current with industry trends in software development and deployment.

Tyler Memorial Hospital
